

The Good King

Seabird

I can see it won't be easy
To keep your head above water
Without a good friend by your side
I can tell you it'll only get harder Hold on child, hold on
The good king is near, so near
Hold on child, hold on
The good king is strong In his eyes
You ain't done nothing wrong I know you feel alone, got no place to call your home
And it feels all wrong
Your certainty in life melts quicker than the ice
That you're standing on Hold on child, hold on
The good king is near, so near
Hold on child, hold on
The good king is strong In his eyes
You ain't done nothing wrong, yeah When I had no choice he gave me a voice
Now I'm singing, yes, I'm singing
And it wasn't long before you gave me a song
Worth singing, yeah, I'm singing Hold on child, hold on
The good king is near Hold on child, hold on
The good king is near, so near
Hold on child, hold on
The good king is strong Hold on, hold on, hold on
Child, hold on
Hold on, hold on, hold on
Child, hold on In his eyes
You ain't done nothing wrong
In his eyes
You ain't done nothing wrong
Yeah, you ain't done nothing wrong
