Round-n-Round

Lou Barlow

Out on the streets, that's where we'll meet
You make the night, I always cross the line
Tightened our belts, abused ourselves
Get in our way, we'll put you on your shelfAnother day, some other way
We're gonna go, but then we'll see you again
I've had enough, we've had enough
Cold in vain, she saidI knew right from the beginning
That you would end up winnin'
I knew right from the start
You'd put an arrow through my heartRound and round
With love we'll find a way just give it time
Round and round
What comes around goes around
I'll tell you why, digLookin' at you, lookin' at me
The way you move, you know it's easy to see
The neon light's on me tonight
I've got a way, we're gonna prove it tonightLike Romeo to Juliet, time and time
I'm gonna make you mine
I've had enough, we've had enough
It's all the same, she saidI knew right from the beginning
That you would end up winnin'
I knew right from the start
You'd put an arrow through my heartRound and round
With love we'll find a way just give it time
Round and round
What comes around, goes around
I'll tell you why, yeahOut on the streets that's where we'll meet
You make the night I always cross the line
Tightened our belts abuse ourselves
Get in our way, we'll put you on your shelfRound and round
With love we'll find a way, just give it time
Round and round
What comes around, goes around
I'll tell you whyRound and round
With love we'll find a way, just give it time, yeah
Round and round
What comes around goes around
I'll tell you why, round and round
