Heading West

Hired Hands

I drop my hat to a restless wind
Ooh this time, I'm not gonna chase it again
In a jigsaw dream with soft spoken words
I woke up cryin' and no one heardYou're lookin' through me like I never was real
You say you love me but you won't let me feel
So I'm gonna take a chance this time
I'm gonna find myself some place where I can healAnd I'm heading west without a sad goodbye
And I'm heading west, oh
I'm like a letter with no address
Just like a book I read, I'm heading westI said my name under my breath
Oh he turned down a twisted road, I won't forget
I'm gonna fly my kite and let out all the string
Hold on to hope, let go everythingI can't stop laughin' and it's nothin' you said
The altitude of freedom seems to go to my head
And if I fall down on my knees, I'm gonna get back up
I'm gonna get back up againAnd I'm heading west without a sad goodbye
And I'm heading west, oh
I'm like a letter with no address
Just like a book I read, I'm heading westAnd if I fall down on the knees, I'm gonna get back up
I'm gonna get back upAnd I'm heading west without a sad goodbye
And I'm heading west, oh
I'm like a letter with no address
Just like a book I read, I'm heading westAnd I'm heading west without a sad goodbye
And I'm heading west, oh
I'm like a letter with no address
Just like a book I read, I'm heading westAnd I'm heading west without a sad goodbye
And I'm heading west, oh
