

# Wafika

Dr. Tumi

I've been longing for a while  
Nothing else could ever satisfy  
A thirst that no one else could quench  
An emptiness, that I could never feel  
Wafika, wafika kimi (You arrived, You came to me)  
Kuthol' uphila okunaphakade (And I found eternal life)  
Wamphefum'lela (You renewed my health)  
Wathol'phil' emthonjeni wakho (You  
renewed my life from your wellspring)  
Troubled eyed, and troubled mind  
Didn't know who'd come and save my life  
I had no rest, I didn't have joy  
I was lost and didn't even know  
Bridge: " in Zulu  
Ngi-ngiyabonga, Moyo Ingcwele (I thank You, Holy Spirit)  
Wafika, wafika kimi (You arrived, You came to me)  
Kuthol' uphila okunaphakade (And I found eternal life)  
Bridge: " in Sotho  
Ke a leboga, Ke a leboga (Thank you, I thank You)  
Wafihla gonna (You came to me)  
Ka hwetja bophelo bosafeleng (And I found eternal life)  
Wafihla gonna (You came to me)  
Ka hwetja bophelo bosafeleng (And I found eternal life)  
Wafika, wafika kimi (You arrived, You came to me)  
Kuthol' uphila okunaphakade (And I found eternal life)  
Wafihla gonna (You came to me)  
Ka hwetja bophelo bosafeleng (And I found eternal life)  
(Sotho Bridge)
