

Inside the Electric Circus

W.A.S.P.

A scream unlock the cage
The roars rock the stage
Hunger of the animals are calling
Thrive upon the rage
Raw prints on the page
The room's going wild, walls are falling
Lights shine illumination bright
Reveal all the madness here tonight[REFRAIN:]
Welcome, I bid your welcome, to live
Inside the electric circus
Hang on, hang on to your life
The animals are all insane - God help us Electricity to burn
Amplifiers churn
Three ring madhouse calls the action
It's life upon the road
Insane asylum grows
Night after night, the main attraction
A strange world that you might want to know
When it comes alive - crank up the show[REFRAIN:]
