

Are We Ourselves?

The Fixx

Lost feelings return
So now maybe I'll learn
To stop this world of a lie
This time around Are we, are we, are we ourselves?
Are we, are we, are we ourselves? Because seen through these eyes
We lead a double life
No one would know
So check it out, stepping out, here I go Are we, are we, are we ourselves?
Are we, are we, are we ourselves? Do we know, when will we find out
Are we, are we, are we ourselves? Well most spirit returns
Now maybe we've learned
To stop this whirl of a lie
To this earth we are bound I ask you Are we, are we, are we ourselves?
Are we, are we, are we ourselves? Do we know, do you really care
Are we, are we, are we ourselves? Are we, are we, are we ourselves?
