

# Refuge

## Earth Tremma

Intro: oh ooh caught up , can't believe I got you caught up girl .

Verse: im your refuge, run for cover, lean on me, im your shoulder. Just call on me anytime you need me, I'll be your protector and your lover, hey. Love drive you crazy, I'm your chauffeur, have you requesting me over and over, I'll ride the tide no matter how rough the seas be, your significant other

Cho: I'm my harms I'll keep you warm, when cold wind blow in, in your life I'll be that spark, where love seem so dim. In my harms I'll keep you warm, shelter you from the storm, baby girl, I tell you girl run to my harms cause in my harms your safe.

2nd cho: this union we are a part of, no need to boast but I know with my love I've got you caught up, Earth Tremma will have you screaming for me love, taking you to heights you never thought of hey, and I'm aware that for me and me only you got that soft spot, soft spot, some will try their best just to get us off track but, your in good company girl fall back

Cho repeat

Solo: oh ooh hey, caught up can't believe I got you caught up girl , woah ooh woah after meeting you and thought u were a hard knock

Verse repeat
