

# I Will

Usher

I'll pay a penny for your thoughts  
A nickel for your kiss, you know that I will  
I'll pay a penny for your thoughts, yes I will baby  
A nickel for your kiss, you know that I will alright? Listen honey baby, there's something that I've gotta make  
clear  
You may have had other lovers in your life  
That can't compare to what's going down here  
I promise I'll be gentle, I'm gonna give you all that I've got  
Don't say no, let your body go  
I'll do my thing nice and slow if you tell me your thoughts I'll pay a penny for your thoughts  
A nickel for your kiss, I will yes I will  
I'll pay a penny for your thoughts  
A nickel for your kiss I will oh yeah baby listen baby Girl I wanna work your body, like your body was a nine to  
five  
And just when you think I'm getting tired baby  
I'll be putting in overtime, I only want to please you  
To tease you is not my style Just let me know  
When you're ready for love, girl you've gotta make up your mind oh yeah I'll pay a penny for your thoughts oh  
yeah  
A nickel for your kiss, I will I will  
I'll do anything for you oh oh yeah  
I'll pay a penny for your thoughts  
A nickel for your kiss, I will I will pay anything to know what's on your mind  
I will pay anything to know what's on your mind  
Yes, I will, alright I will pay anytime  
Tell me what's on your mind  
I would pay anytime tell me what's on your mind  
Yeah, yeah, yeah Whatever you want girl  
Whatever you need lady  
I'll be right there for you baby, yes I will  
I'll pay a penny for your thoughts  
A nickel for your kiss, I will
