

The Folks Who Live On the Hill

[Eric Clapton](#)

Someday we'll build a home on a Hilltop High
You and I, shiny and new
Cottage that two can fill
And we'll be pleased to be called
The folks who live on the Hill
Someday, we may be adding a wing or two
A thing or two
We will make changes as any family will
But we will always be called
The folks who live on the Hill
Our veranda will command a view of meadows green
The sort of view that seems to want to be seen
And when our kids grow up and leave us
We'll sit and look at that same old view
Just we two, Darby and Joan
Who used to be Jack and Jill
The folks who like to be called
What they have always been called
The folks who live on the Hill
The folks who live on the Hill
The folks who live on the Hill
The folks who live on the Hill
