Clockwork

Clockwork

(Is this what you wanted?)
(Is this what you came here for?)

My legs are tired
From running out of time
You bury love
How am i still alive?
can we forget
what it's like to live?
This emptiness will never laugh again

Chorus:
You say you wanna go (go, go)
You say you wanna go (go, go)
You say you wanna go (go, go)
Well I know that your back's against the wall
And you've got it out for me
And I hear you in my sleep
And there's no protecting me
From this endless irony

My dreams are sad
Living from day to day
With no regrets
But I wish that I could stay

Chorus:
You say you wanna go (go, go)
You say you wanna go (go, go)
You say you wanna go (go, go)
Well I know that your back's against the wall
And you've got it out for me
And I hear you in my sleep
And there's no protecting me
From this endless irony

Is this what you wanted?
Is this what you came here for?

Is this what you wanted?
Is this what you came here for?
NO!

Chorus:
You say you wanna go (go, go)
You say you wanna go (go, go)
You say you wanna go (go, go)
Well I know that your back's against the wall
And you've got it out for me
And I hear you in my sleep
And there's no protecting me
From this endless irony
