

Here I Go Again

Rihanna

Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, naNa, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, oh
Na, na, na, na, na, naIt's been a minute since I saw you, boy
Must admit it's good to hear your voice
And I guess that I forgot just how
You make me feel when your around
See you haven't lost your sense of style
And you still could melt me with your smile
Can't deny that I still got these feelin' deep insideIt's funny how things could change
But still remain the same
Isn't love just a crazy game?
Baby, here I go againI look into your eyes and then
My heart remembers when
And I realize I neva gotten over you
Every time I hear your name
It's like the sun shined through the rain
And I realize it's happening
Baby, here I go againHere I go againStill remember how you make me weak
How I fought to find the words to speak
I just cant escape the memories
I tried but I just can't break free
Thought I closed the door on what we had
But these feelings just keep comin' back
Didn't think that you could
Make me lose control like thatIt's funny how things could change
But still remain the same
Isn't love just a crazy game?
Baby, here I go againSweet lovin' is my ting
So you know mi got fi swing
That's why yuh request it again
Without a doubt yuh want to spend
And to experience it again
Because yuh love the way yuh felt back thenSo make me light it up again

Reignite the flames again
'Cause you really miss 'dem days
When we used to chill up on the hill
Watch the sun set in West NigrilGirl, yuh bajan beauty, it a gimme di chill
Not to mention the way you are withinI look into your eyes and then
My heart remembers when
And I realize I neva gotten over you
Every time I hear your name
It's like the sun shined through the rain
And I realize it's happening
Baby, here I go againHere I go again
