

Hold Me (with Teddy Pendergrass)

Whitney Houston

I hold you, I touch you
Make you my woman
I'll give you my love
With sweet surrender
Tonight our hearts will beat as one
And I'll hold you, I'll touch you
Make you my woman tonightThere's something in your eyes I see
A pure and simple honestyHold me in your arms tonight
Fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure
Hold me in your arms tonight
We'll make it last forever
When the morning sun appears
We'll find our way togetherI believe you
When you say that you love me
Know that I won't take you for granted
Tonight the magic has begun
So won't you hold me touch me
Make me a woman tonightThere's something in your eyes I see
I won't betray your trust in meHold me in your arms tonight
Fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure
Hold me in your arms tonight
We'll find our way togetherI'll hold you (Hold)
And touch you (Touch me baby)
Make you my woman (Make me a woman)
TonightHold me in your arms tonight
Fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure
Hold me in your arms tonight
We'll make it last forever
When the morning sun appears
We'll find our way togetherHold me in your arms tonight
Fill my life with pleasure

Let's not waste this precious time
This moment's ours to treasure
Hold me in your arms tonight
We'll make it last forever
When the morning sun appears
We'll find our way together
