

Impatient Girl

Kate Voegele

I've been holding on for eternity
Waiting on your love
I let you lead me on so perfectly
Well, I think I've had enough
I'm tired of dancing around it
I'm not wired that way
I'm getting fired up thinking about it
Gotta be honest
I ain't never been a patient girl, baby
I ain't built like this
The way you're taking your time
Has got me jumping ship
And I won't lie, let's call this what it is
An impatient girl
Waiting on an empty wish
I'm an impatient girl
Baby, I'm allowed to want an answer now
Wouldn't you say that's fair?
Can you help me out?
'Cause I'm breaking down
Do you even care
That I'm losing my mind every minute
Don't you do me like that
Don't you know you're pushing my heart to the limit
Won't you listen?
I ain't never been a patient girl, baby
I ain't built like this
The way you're taking your time
Has got me jumping ship
And I won't lie, let's call this what it is
An impatient girl
Waiting on an empty wish
I'm an impatient girl
And I won't spend the rest of my life
Hoping for a sign
You can't just leave me out to dry
I ain't built like this
The way you're taking your time
Has got me jumping ship

And I won't lie, let's call this what it is
An impatient girl
Waiting on an empty wish
I ain't built like this
The way you're taking your time
Has got me jumping ship
And I won't lie, let's call this what it is
An impatient girl
Waiting on an empty wish
I'm an impatient girl
I'm an impatient girl
I'm an impatient girl
An impatient girl
Waiting on an empty wish
