Everybody (Loutaa Bootleg)

Justice Crew

Everybody let the good times flow
I, I wanna feel the music in my soul
Everybody all around the world
I, I wanna let it go
Just let the good times flow (Yeah, right right)
Everybody, Just let the good times flow
Just let the good times flowI'm feeli' good right now, nothing can hold me down,
She's got me in the mood,
I'm 'bout to make a move, I wanna tear it up,
I wanna live it up, just let the DJ ride,
So we can go all night
Singing wooah, untill the AM AM
Wooah getting wasted, wasted
I wanna go until the music stops,
I've got a drink and a beat, let the party rock.Everybody let the good times flow
I, I wanna feel the music in my soul
Everybody all around the world
I, I wanna let it go
Just let the good times flow
Everybody, just let the good times flow
Just let the good times flowIt's time to let it go,
I feel the shame once more,
Got my click got my drinks on the floor,
So call the cops, we gonna steal this show.
Yeah I make love don't fight
This feeling you're my type
And if you want it come get it so we can go all night
Singing wooah, till the AM AM
Wooah, getting wasted, wasted
I wanna go until the music stops,
I've got a drink and a beat let the party rockEverybody let the good times flow
I, I wanna feel the music in my soul
