

# One More Parade

## They Might Be Giants

Hup, two, three, four, marching down the street  
Rollin' of the drums and the tramping of the feet  
General salutes and the mothers wave and weep  
Here comes the big parade  
Don't be afraid, prices paid  
One more parade So young, so strong, so ready for the war  
So willing to go and die upon a foreign shore  
All march together, everybody looks the same  
So there is no one you can blame  
Don't be ashamed, light the flame  
One more parade Listen for the sound and listen for the noise  
Listen for the thunder of the marching boys  
A few years ago their guns were only toys  
Here comes the big parade  
Don't be afraid, prices paid  
One more parade So young, so strong, so ready for the war  
So willing to go and die upon a foreign shore  
All march together, everybody looks the same  
So there is no one you can blame  
Don't be ashamed, light the flame  
One more parade Medals on their coats and guns in their hands  
Trained to kill as they're trained to stand  
Ten thousand ears need only one command  
Here comes the big parade  
Don't be afraid, prices paid  
Don't be ashamed, war's a game  
World's in flames, so start the parade
