Special Death

Mirah

A terrible mistake was made
The weight would break the backs
Of ten strong horses tried to save
The castle in the fray

If you knew that i could take the pain
Inflicted at the battle
With faithful arrows you
Might get back in the saddle

But it's a special death you saved
For me, the brown-eyed daughter
Once you made it hotter

The thankless, holy praise
Is left alone. Why bother
To cast a stone in water?
