

Still Breathing

Green Day

I'm like a child looking off in the horizon
I'm like an ambulance that's turning on the sirens
Oh, I'm still alive
I'm like a soldier coming home for the first time
I dodged a bullet and I walked across a landmine
Oh, I'm still alive Am I bleeding? Am I bleeding from the storm?
Just shine a line into the wreckage, so far away, away
Cause I'm still breathing
Cause I'm still breathing on my own
My head's above the rain and roses
Making my way, my way
Cause I'm still breathing
Cause I'm still breathing on my own
My head's above the rain and roses
Making my way, my way
My way to you I'm like a junkie tying off for the last time
I'm like a loser that's betting on his last dime
Oh, I'm still alive
I'm like a son that was raised without a father
I'm like a mother barely keeping it together
Oh, I'm still alive Am I bleeding? Am I bleeding from the storm?
Just shine a line into the wreckage, so far away, away Cause I'm still breathing
Cause I'm still breathing on my own
My head's above the rain and roses
Making my way, my way
Cause I'm still breathing
Cause I'm still breathing on my own
My head's above the rain and roses
Making my way, my way, my way... As I walked out on the ledge
Are you scared to death to live?
I been running all my life
Just to find a home that's for the restless
And the truth that's in the message
Making my way, away, away Cause I'm still breathing
Cause I'm still breathing on my own
My head's above the rain and roses
Making my way, my way
Cause I'm still breathing
Cause I'm still breathing on my own

My head's above the rain and roses
Making my way, my way, my way...
Cause I'm still breathing
Cause I'm still breathing on my own
My head's above the rain and roses
Making my way, my way
My way to you
