

Einstein

Kelly Clarkson

Oh, ooh Simple math, our love divided by the square root of pride

Multiply your lies, plus time, I'm going out of my mind

It was heavy when I finally

Figured it out alone

[Chorus]

I didn't get it the first time

But don't think I've been so blind

And I may not be Einstein but I know

Dumb + Dumb = You

Dumb + Dumb = You

Yeah, yeah, yeah

Dumb + Dumb = You Even had the nerve to flirt with her in front of my face

Here's your keys, your bags, your clothes and now get out of my place

You say I'm crazy and that we're happy

Is that supposed to comfort me, oh, yeah

[Chorus]

I didn't get it the first time

But don't think I've been so blind

Yeah, I may not be Einstein but I know

Dumb + Dumb = You

Dumb + Dumb = You

Yeah, yeah, yeah

Dumb + Dumb = You [Bridge]

All of your promises plus

A thousand apologies, just

Take out the pain and then it leaves us

With nothing at all

No, nothing at all [Chorus]

You can stop wasting my time

Without you, I'm just fine

Why did it take me so long to figure out

Dumb + Dumb = You

= You, yeah

[Chorus]

I didn't get it the first time

Don't think I've been so blind

Yeah, I may not be Einstein but I know

Dumb + Dumb = You

Dumb + Dumb = You Simple math, our love divided by the square root of pride

Multiply your lies, plus time, I'm going out of my mind
And I may not be Einstein but I know
Dumb + Dumb = You
= You
