# Cheek to Cheek

## Steve Tyrell

Bound to say something, eyes closed,
It's cold, and I'm home
I feel like nothing again,
Pretending not to care, but I care,
And I care, don't say another word
Our time was worthless, but I tried
We started over and over again, as we let go
Held each other, held hands,
Held standards and grudges
That's when I let you know,
I guess that goes to show

Just what I've been going through,
More nights of hugging my pillow, oh
Replaying memories

Sing this song for me;
Tell me how you'll never leave my side
And I'll meet you around 7,
And I miss you already, goodbye to you.

Time was worthless, but I tried
We started over and over again, as we let go
Held each other, held hands,
held standards and grudges
That's when I let you know,
I guess that goes to show

Sing this song for me;
tell me how you'll never leave my side
And I'll meet you around 7,
and I miss you already, goodbye to you.

And I tried so hard,
And I've done my part,
And not to mention most of all of yours
Try and feel,
Try and listen,
Try and think of what you're missing,
Try to look into my eyes.

Try

Goodbye

Sing this song for me;
Tell me how you'll never leave my side
And I'll meet you around 7,
And I miss you already, goodbye to you.
Last goodbye I'll ever say to you.
You'll never leave my side.
