

# Sexuality

## Prince

Stand up everybody, this is your life  
Let me take you to another world, let me take you tonight  
You don't need no money, you don't need no clothes  
The second coming, anything goes  
Sexuality is all you'll ever need  
Sexuality, let your body be free C'mon everybody, yeah, this is your life  
I'm talking about a revolution we gotta organize  
We don't need no segregation, we don't need no race  
New age revelation, I think we got a case  
I'm okay as long as you are here with me  
Sexuality is all we ever need  
Reproduction of a new breed leaders, stand up, organize  
Reproduction of a new breed leaders, stand up, organize  
Reproduction of a new breed leaders, stand up, organize  
Everybody  
Reproduction of a new breed leaders, stand up, organize  
One time say  
Reproduction of a new breed leaders, stand up, organize  
Reproduction of a new breed leaders, stand up, organize  
We live in a world overrun by tourists  
Tourists 89 flowers on their back, inventors of the accu-jack  
They look at life through a pocket camera  
What? No flash again?  
They're all a bunch of double drags  
Who teach their kids that love is bad  
Half of the staff of their brain is on vacation  
Mama, are you listening?  
We need a new breed leaders, stand up, organize  
Don't let your children watch television until they know how to read  
Or else all they'll know how to do is cuss, fight and breed  
No child is bad from the beginning, they only imitate their atmosphere  
If they're in the company of tourists, alcohol and US history  
What's to be expected is 3 minus 3, absolutely nothing  
Stand up, organize  
We need a new breed leaders, stand up, organize  
I wanna be in the new breed, stand up, organize  
Sexuality is all I'll ever need  
Sexuality, I'm gonna let my body be free  
Sexuality is all I'll ever need  
Sexuality, I'm gonna let my body be free  
Sexuality  
Sexuality
