i swear sometimes it feel like it nurtious me  
but to keep it all real its kinda hurtin me  
i could say im done wit it but it lurks in me  
so ima just tell myself that it works for me  
take a real long drive in a mer-ca-dys  
n i might pop a couple in em perk-a-ceeds  
yeah-that'll make transform to hurculees

## (Chorus)

i am-who i am  
(echo\*) i am

here i am  
here i am  
so take me as i am (3x)

i am-who i am  
(echo\*) i am

## Verse #2

i swear to god man everything in life is old  
and the only thing that change is the price of gold  
even in the afta life ima fight cha soul  
cuz the second time around ill be twice as bold  
so will you take me to be who i am  
to have n to hold  
till death do us part  
cuz if not its just best we both part  
cuz how am i suppose to finish what chu start  
you got me thinking twice to just breath  
n you say i wont survive if i leave  
but i got a couple of tricks up my sleeve  
i no longer need your attention

atease:

im in pain, im ashamed im a woman , hear me rawr (4x)
