What If I Do

Foo Fighters

Back and forth that voice of yours
Keeps me up at night
Help me search to find the words
That eat you up insideI go side to side like the wildest tides
In your hurricane
And I only hide what is on my mind
Because I can't explainWhat if I do, Lord?
What if I don't?
I'd have to lose everything
Just to find youWhat if I do, Lord?
What if I don't?
I'd have to lose everything
Just to find youIt's my turn this soul won't burn
So throw me in the fire
Trophies earned and lessons learned
From wicked little liarsWe could pave new roads
With their cold gravestones
And wind them through the pines
Should I stay or should I go alone?
I cannot decideWhat if I do, Lord?
What if I don't?
I'd have to lose everything
Just to find youWhat if I do, Lord?
What if I don't?
I'd have to lose everything
Just to find youCarolina, Caroline
Carolina, CarolineWhat if I do, Lord?
What if I don't?
I'd have to lose everything
Just to find youWhat if I do, Lord?
What if I don't?
I'd have to lose everything
Just to find youCarolina, Caroline
Carolina, CarolineCarolina, Caroline
Carolina, Caroline
