

# fingernails

Dilo

Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
Under my fingernails Im empty, lonely and accused, accused without a word  
My fingernails are chipping down from clawing in the dirt  
Im so lost, lost and confused, I threw it all away  
How can I be beautiful when I am so afraid Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
All my dreams out of reach under my fingernails I watched it all slip through my hands, my brokenness revealed  
Im so proud, Im so proud Im crying to be filled  
Im killing, destroying the plague, thats killing me away  
Ive got to live, Ive got to love like I am unafraid Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
All my dreams out of reach under my fingernails Im wasting, wasting every moment  
I want to be tasting, tasting every moment with you  
Im suffering, Im bleeding, on my knees, whos going to save me?  
Suffering, bleeding, save me from this pit of frailty Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
All my dreams out of reach under my fingernails Never reaching me
