I Wish

Hot Chelle Rae

If I could wish anything
Close my eyes and count to three
All I want is you, you, you
All I need is you, you, youYou're like the pot of gold
At the end of the rainbow
All I want is you, you, you
All I need is you, you, youAnd I could give you the world tonight
We could do anything you like
If you weren't with himI wish I knew before I knew
That someone else was loving you
Girl, I wish it could've been me
Damn, girl, I wish it could've been meOne more thing before you go
I just gotta let you know
Girl, I wish it could've been me
Damn, girl, I wish it could've been meI like the way you roll
So just let the truth be told
All I want is you, you, you
All I need is you, you, youJust like a luxury
You're one of the finest things
All I want is you, you, you
All I need is you, you, youAnd I could give you the world tonight
We could do anything you like
If you weren't with himI wish I knew before I knew
That someone else was loving you
Girl, I wish it could've been me
Damn, girl, I wish it could've been meOne more thing before you go
I just gotta let you know
Girl, I wish it could've been me
Damn, girl, I wish it could've been meGirl, just think about how it could be now
I could rock your world, turn it upside down
If you want to, then I want to
Just say the words and I willSweep you off your feet until you can't stand
And be trapped inside of a bad romance
If you want to, then I want to
Just take a chanceI wish I knew before I knew
That someone else was loving you
Girl, I wish it could've been me
Damn (I wish)I wish I knew before I knew
That someone else was loving you

Girl, I wish it could've been me
Damn, girl, I wish it could've been meOne more thing before you go
I just gotta let you know
Girl, I wish it could've been me
Damn, girl, I wish it could've been meI wish, I wish (Oh, oh, oh)
I wish, I wish (Oh, oh, oh)
I wish, I wish (Oh, oh, oh)
I wish, I wish (Oh, oh)I wish, I wish (Oh, oh, oh)
I wish, I wish (Oh, oh, oh)
I wish, I wish (Oh, oh, oh)
Girl, I wish it could've been me
