

The One Armed Boxer Vs. The Flying Guillotine

From First To Last

Kill the lights
Hello ladies and gentlemen
I'm glad you've graced me with your presence
You're in time to see me wrestle with my conscience
Staring into the si-si-silence
You see I came to save the stage
I hope I'm not too late
Passion called from back
Behind the curtain screaming
"Sonny, this is urgent
Fill these 50 voices with a purpose
But don't just give it away
Inspiration isn't cheap these days
You better make them earn it"
You better
Make them earn it
Make them earn it
You better
Make them earn it
Make them earn it
Hello ladies and gentlemen
I'm glad you've graced me with your presence
You're in time to see me wrestle with my conscience
Staring in the si-si-silence
You see I came to save the stage
I hope I'm not too late
Passion called from back behind the curtain screaming
"Sonny, this is urgent"
You see I came to save the stage
I hope I'm not too late
Passion called from back behind the curtain screaming
"Sonny, this is urgent"
How do I address a letter to my generation?
"Sonny", she said, "Save yourself the postage"
How do I address a letter to my generation?
"Sonny", she said, "Sing it in person"
