"O, We're Going Home"

Thomas Newman

O' we're going home
Swimming to and fro
our hearts know where to go
Beating like a drum that sends us back to where we're fromO' were going home
We know who we are
And it's time to travel far
To make our way back homeO' we're going home
Swimming to and fro
our hearts know where to go
Beating like a drum that sends us back to where we're fromO'were going home
We know who we are
And it's time to travel far
