Never Say Never

Scott Dawson

Tommy asked Susie would you go with me
Out for a burger and a late movie
Susie ran her fingers through her long blonde hair
Said I wouldn't go even on a dare
Tommy came home with his head hung low
Mama said there's something that you need to know

Never say never
Never say die
Never be afraid to give it one more try
Till you spread your wings you're never gonna fly
Never say never never say die

Six months later Tommy and Sue
Walked down the aisle and they said "I do"
Now all we need is a bundle of joy
We don't even care if it's a girl or boy
They tried and they tried but they couldn't conceive
Tommy said there's something that I sure believe

Well they prayed and they prayed both night and day
Till Susie gave birth to Daisy May
Tommy said Mama you were right all along
Someday I'm gonna write me a number one song
That goes...
