

4 Lit (feat. T.I. & Ty Dolla \$ign)

B.o.B

[Hook: B.o.B]

Should be two lit, should be four lit

Pick me up before six

Got a bitch, with another bitch

We ain't trippin' cause we all here

Ya we all with the function

Ya we all with the function

Two lit, should be four lit

We ain't trippin' cause we all here[Verse 1: B.o.B.]

Ya yo that-that-that's the shit I like

I ain't got no top I can't decide

Girl like girl like girl they can't deny

[?] pussy with a side of 'Y'

No it ain't no telling what we might do

[?] with a [?]

Reefer got me so she got my eyes glued

Oh ya that's my girl and that's our wife too

[Hook: B.o.B]

Lit, should be four lit

Pick me up before six

Got a bitch, with another bitch

We ain't trippin' cause we all here

Ya we all with the function

Ya we all with the function

Two lit, should be four lit

We ain't trippin' cause we all here[Verse 2: T.I.]

Shit

You know we all with it

How a nigga quit and hit it and never call bitches

Ya'll might see my young nigga pull in now we all bitches

Pick the shuffles up and did a over-tall bitch

Hey put that phone down and mind your fucking business girl

Hey put some money up in here, so independent girl

But I'm just try'na put some diamonds in your pendant, get your titty fit

Presidential suite some private jets outside the city shit

One thing I can't stand is a petty hoe

Can't keep your business to yourself, don't go to tell a fool

About where you been and how much pussy you be selling for

Don't wanna see her with a telescope, tell 'em go[Hook: B.o.B]

Should be two lit, should be four lit
Pick me up before six
Got a bitch, with another bitch
We ain't trippin' cause we all here
Ya we all with the function
Ya we all with the function
Two lit, should be four lit
We ain't trippin' cause we all here[Verse 3: RaRa]
Drop, top, all, summer
All the bad bitches love the young roadrunner
Young new comer cause the trap suit jump
Made the play [?] count two hump
All the girls in the hood love Bennihana
All the niggas in my hood want more comma
Like ball J G want no drama
No farmer, dope chrome, bitch your momma
Kobe Bryant with the 20 E flying with it
I ain't gotta go and get it [?]
Dit bit, dat bit, out on my dick, eh
We ain't trippin bout the [?], oh we all lit [?][Hook: B.o.B]
Should be two lit, should be four lit
Pick me up before six
Got a bitch, with another bitch
We ain't trippin cause we all here
Ya we all with the function
Ya we all with the function
Two lit, should be four lit
