All Alright

Fun.

Yeah, it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. Yeah, it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. Well I got the call soon as the day hit night. As soon as the headlights lit up the Westside. I stopped the car and came outside Cause I know that tone. I remember the first time we wished upon parallel lines. Waiting for a friend to call and say they're still alive. I've given everyone I know a good reason to go. I was surprised you stuck around long enough to figure out That it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. Yeah, it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. And now all my loves that come back to haunt me. My regrets and texts sent to taunt me. I never claimed to be more than a one-night stand I've given everyone I know a good reason to go.

But I came back with the belief that everyone I love is gonna leave me.

And it's all alright.

I guess it's all alright.

I got nothing left inside of my chest,

but it's all alright. And it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all all And I know, ohh nooo, You've fallen from the sun. Crashing through the clouds. I see you burning out. And I know, ohh nooo, that I put up a front But maybe, just this once, let me keep this one. Yeah it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. And it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. Yeah, it's all alright. I guess it's all alright. I got nothing left inside of my chest, but it's all alright. And it's all alright I guess it's all alright. I got nothing left inside of my chest, but it's all alright?
