Red Eyed Troll

The Muffs

Baby talking all from way back when
Doin' everything, we meet again
Maybe talk to me but now you won't
Underneath it all you're all aloneTo the other side now I can plainly see
What you want is everyone
And no one left for meRed eyed troll
Oh, red eyed
Oh, red eyed troll, yeahAnd I don't need your attitude
I don't need no attitude, oh yeah
When you pick on me, when you pick on me
When you pick on me, yeahI could never be you and I know
What you want was over long ago
Little I know what you say about me
What I got is what you want from meRed eyed troll
Oh, red eyed
Oh, red eyed troll, yeahAnd you're going to come down
And I know I don't want you around
I don't want you around, yeah
I don't care what you do to me'Cause I don't like you, why can't you see?
You piece of shit, now
You fucking jerk, you really bore me
You stupid girlRed eyed troll
Oh, red eyed
Oh, red eyed troll, yeah
