CLAUDIA

Cachumba

I felt I was one with you,
You probably didn't see,
Oh I'm a nervous one,
My pain it comes easily.
Should I revolve my world around you,
Should I revolve my light around you,
Claudia, Claudia,
You're taunting you're teasing,
You know I have feelings too,
They're all for you,
Claudia, Claudia,
Provoking my heart,
And I still haven't broken the code,
To your heart now, oh no,
I blame it on your upbringing,
You were made around the side of a van,
You call me the trusting one,
Trust it comes easy man,
Should I revolve my world around you,
Should I revolve my light around you,
Claudia, Claudia,
You're taunting you're teasing,
You know I have feelings too,
They're all for you,
Claudia, Claudia,
Provoking my heart,
And I still haven't broken the code,
To your heart now, to your heart now, whoa whoa whoa.
