

Prince Charming

Willa Ford

Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal? Prince Charming
Oh yeah oh ah oh
Prince Charming Rides a great white horse, not a Greyhound bus
He's a gentleman, not a hip-hop thug
See him in my dreams, hate when I wake up
Still holding on, people think I'm nuts but But soon he'll come and call for me
And take me from reality Prince Charming can you rescue me
Are you real?
Can you make me feel, feel unreal?
Prince Charming, I believe in you
Fairy tails can come true
So I will wait for you Prince Charming
Oh yeah oh ah oh Tell me how I'll know
Does he wear a crown?
Haven't found him yet
Must be out of town Heart made of gold
Body like a rock
Likes to serenade
Maybe even smart And I will wait with just one kiss
The poison soon right from my lips Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming, I believe in you
Fairy tails can come true
So I will wait for Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming, I believe in you
Fairy tails can come true
So I will wait for you I will wait for you
Oh yeah oh ah oh
You
Oh yeah oh ah oh
You
Prince Charming
Oh yeah oh ah oh Ooh ohh
