

# License to Kill

## Chaos Synopsis

Man thinks 'cause he rules the earth  
He can do with it as he pleases  
And if things don't change soon  
He will

Knowin' man has invented his doom  
First step was touchin' the moon  
Now there's a woman on my block  
She just sit there as the night grow still  
She say

?Who gonna take away his license to kill??

Now, they take him and they teach him  
And they groom him for life  
And they set him on a path  
Where he's bound to get ill  
Then they bury him with stars  
Sell his body like they do used cars  
Now there's a woman on my block  
She just sit there facin' the hill  
She say

?Who gonna take away his license to kill??

Now, he's hell bent for destruction  
He's afraid and confused  
And his brain has been mismanaged  
With great skill  
All he believes are his eyes  
And his eyes they just tell him lies  
But there's a woman on my block  
Sittin' there in a cold chill  
And say

?Who gonna take away his license to kill??

May be noisemaker, spirit maker  
Heart breaker, back breaker  
Leave no stone unturned  
May be an actor in a plot  
That might be all that you got  
Till your error you clearly learn

Now, he worships at an altar of a stagnant pool  
And he sees his reflection, he's fulfilled  
Knowin' man is opposed to fair play

He wants it all and he wants it his way  
Now, there's a woman on my block  
She just sit there as the night grow still  
She say  
?Who gonna take away his license to kill??
