

Last to Know

Pink

[Chorus]

Why was I the last to know that you
Weren't coming to my show you could of
Called me up to say "good luck"
You could of called me back you stupid fuck
Why was I the last to know? First date, we ate sushi and
It went well, I was funny and
You said I was a cutie
That's the last thing I heard from you
I left tickets at the door for you
I had to tell my mom that there was
No more room
You didn't show, that was so uncool
You could of called me back So I guess this means that we're
Not friends anymore, I heard
It's me you're askin' for, I thought
I'd see you at the show
You said you'd go [Chorus] After the date, I wouldn't go
Home with you
I wouldn't put my heels in the
Air for you
You tried to get me to do things
I just won't do
Last I heard from you
Here is how I guess the story goes
You would of came if I was a ho
Fuck for parts that's just not how
I roll, move it on down the road So I guess, we, shouldn't be
Friends anymore, sick of hearin'
That it's me you're asking for
Cause I thought I'd see you at the
Show, you said you'd go! [Chorus] You thought you know me
I guess you don't
You thought you had me
I think you didn't
You thought you knew me
But you didn't [Chorus]
