

Hallowed Ground

W.A.S.P.

Come and take me down
The dark beyond
And take me there
Where I come from Take me down
To the place where I'll kneel
And let me lay my shadow down
In though the eyes
Of a child's inner me
No pain to heal my bloodied brow There is no rain
To save this silent town
There is no rain to save at all
There is no place
To save this silent ground
There is no place to save at all Oh father take me
Unto where I'll lay me down
Oh Hallowed Ground Oh the sky is falling
And I don't know where my home is now
My Hallowed Ground Oh and can you take me
For I have tasted Hallowed Ground
Oh all around Father - oh do you hear me
This pain I will not cry aloud Father - I know you hear me
My head is bludgeoned but unbowed
