## Twenty One Pilots

A shadow tilts its head at me  
Spirits in the dark are waiting  
I won't let them win, go quietly  
I won't let them win, go quietly Be the one, be the one  
To take my soul and make it undone  
Be the one, be the one  
To take me home and show me the sun  
I know, I know  
You can bring the fire, I can bring the bones  
I know, I know  
You make the fire in my bones, and make it grow Where we're from  
There's no sun  
Our hometown's in the dark  
Where we're from  
We're no one  
Our hometown's in the dark  
Our hometown's in the dark A shadow tilts its head at me  
Spirits in the dark are waiting  
I won't let them win, go quietly  
I won't let them win, go quietly Put away, put away  
All the gods your father served today  
Put away, put away  
Your traditions, believe me when I say  
We don't know, we don't know  
How to put back the power in our soul  
We don't know, we don't know  
Where to find what once was in our bones Where we're from  
There's no sun  
Our hometown's in the dark  
Where we're from  
We're no one  
Our hometown's in the dark  
Our hometown's in the dark A shadow tilts its head at me  
Spirits in the dark are waiting  
I won't let them win, go quietly  
I won't let them win, go quietly Where we're from, there's no sun  
Our hometown's in the dark  
Where we're from, we're no one

Our hometown's in the dark
