Which One

Chris Brown

Which one you gone get man?
I don't know man, so many to choose from
Chris Brown
Noah
I'ma make it rain like sprinkle sprinkle
Dat boy chevy goes twinkle twinkle
Hop out like a G, say pleased to meet you
Can we elope and go smoke somewhere peaceful?
It's the N O A H, baby kiss me, hug me
The music man, girls, they love me
So which one of y'all gone sip some crystal?
If you ain't old enough then holla at Chris Brown
Everyone of y'all looking like
(Looking like)
You wanna do something freaky tonight
(Freaky tonight)
Tell your man you ain't feeling the same
(Same)
You wanna be free
(Free)
Free to mingle tonight
If I could I'd take all of you
(All of you)
To a place where we all could do
(All could do)
Something that your momma wouldn't approve
(Wouldn't approve)
Make ya get down
(Show me what's good)
Let me see how they do it in your hood
Which one of y'all want it?
Which one of y'all need it?
(Hey)
Which one of y'all?
Which one tryna get this?
(Oh)
Which one of y'all?
Which, which one?
Which one of y'all taking that off for me?

(Which one of y'all, take it off for me?)
Which one of y'all want it?
Which one of y'all need it?
(Hey)
Which one of y'all?
Which one tryna get this?
(Ohh)
Which one of y'all?
Which, which one?
Which one of y'all taking that off for me?
(Which one of y'all?)
Tell me
Come here, come here walk for me
(Walk for me)
Let me see what they be telling me
(Telling me)
Bout that thing, I just had to know
(To know)
Baby, what's your name?
(Name)
Or do you wanna play tonight?
Come here
Or do you like the beat?
(Like the beat)
Talk to you like you coming wit' me
Girl, I already know
(Know)
Baby, what's your thing?
(Thing)
If you want it you can get it tonight
Which one of y'all want it?
(Baby)
Which one of y'all need it?
(Hey)
Which one of y'all?
Which one tryna get this?
(Which one)
Which one of y'all?
Which, which one?
(Of you)
Which one of y'all taking that off for me?
(Taking it off for me)
Which one of y'all want it?
Which one of y'all need it?
Which one of y'all?

Which one tryna get this?
(Which one)
Which one of y'all?
Which, which one?
Which one of y'all taking that off for me?
(Which one of y'all gonna take it off)
You can count on CB or me to please ya
Fly you to Italy for a piece of pizza
Back to America leave with leisure, G4 cash boy
You don't need your Visa
'Cuz you're my candy girl, my now and later
Just bring your purse and what your momma gave ya
Baby, I'ma playa but the ball's in your court
Now let me see ya strip to ya bra and boy shorts
I'm gritting my teeth like I need a pack of gum
Apple bottoms got you looking like Bonita Apple Bum
I'm for da Catta, baby, tell me where you from
Come, come whisper in your ear, let me tell you something
The way your booty hop I think a rabbit's in your pants
We can travel to Japan, then Africa to France
I can have it in your plans if you tell me in advance
So baby use your brain and take advantage of the chance
Which one of y'all want it?
Which one of y'all need it?
(Which one of you?)
Which one of y'all?
Which one tryna get this?
(Wanna ride in my coupe?)
Which one of y'all?
Which, which one?
Which one of y'all taking that off for me?
(Tonight)
Which one of y'all want it?
Which one of y'all need it?
Which one of y'all?
(Which one of y'all)
Which one tryna get this?
Which one of y'all?
(I said, which one of y'all)
Which, which one?
Which one of y'all taking that off for me?
(Take it off)
Which one of y'all want it?
Which one of y'all need it?
(Take it off)

Which one of y'all?
Which one tryna get this?
(Ohh)
Which one of y'all?
Which, which one?
Which one of y'all taking that off for me?
(Ohh, tonight)
Which one of y'all want it?
Which one of y'all need it?
Which one of y'all?
Which one tryna get this?
(Me)
Which one of y'all?
Which, which one?
(Ohh)
Which one of y'all taking that off for me?
Tonight
