## Pete Yorn

Terrorize the ones you love the most  
Take a while to get back from your ghost  
It's a miracle you ever left that home  
    Got something for nothing  
    Yeah you want to be alone

I know you're waiting for me  
Seen you at the bus stop waiting  
I know you're waiting for me  
Seen you at the bus stop waiting

Reconciled to live here on your own  
You hear everyone talkin' 'bout the cold  
It's a miracle you ever went back home  
    Don't take it for granted  
    Yeah you want to be alone

I know you're waiting for me  
Seen you at the bus stop waiting  
I know you're waiting for me  
Seen you at the bus stop waiting  
I know you're waiting for me  
Seen you at the bus stop waiting

Terrified to get out on your own  
You were into being here and now you're not  
Oh it's a miracle you never left that home

I know you're waiting for me  
Seen you at the bus stop waiting  
I know you're waiting for me  
Seen you at the bus stop waiting  
I know you're waiting for me  
Seen you at the bus stop waving  
I know you're waiting for me  
Seen you at the bus stop waiting, at the bus stop waiting
