

# Unbreakable

## Alicia Keys

Clap ya hands everybody, uh clap ya hands  
C'mon, keep it goin'  
Clap ya hands everybody, clap ya hands everybody  
Clap ya, let's do it, you ready? C'mon We could fight like Ike and Tina  
Or get back like Bill and Camille  
Be rich like Oprah n Stedman  
Or instead struggle like Flo n James Evans Cuz he ain't no different from you n  
She ain't no different from me so  
We got to live out our dreams  
Like the people on TV We gotta stay tuned cuz there's more to see  
Unbreakable!  
Through the technical difficulties  
Unbreakable!  
We might have to take a break  
But ya'll know we'll be back next week  
I'm singing, this love is unbreakable  
Oh yea, yea, yea Clap ya hands everybody, clap ya hands everybody  
Let's do it like this, c'mon  
See we could act out like Will and Jada  
(Will n Jada)  
Or like Kimora n Russell makin' paper  
Oh yea All in the family! Like the Jacksons  
(Like the Jacksons)  
And have enough kids to make a band  
Like Joe and Catherine, yea She ain't no different from me n  
He ain't no different from you  
So we got to live out our dreams  
Like the people on TV We gotta stay tuned, cuz there's more to see  
Unbreakable!  
Through the technical difficulties  
Unbreakable!  
We might have to take a break  
But ya'll know we'll be back next week  
I'm singin', this love is unbreakable We livin' our dreams We livin' our dreams  
We livin' our dreams  
We livin' our dreams  
Ooh We livin' our dreams  
We livin' our dreams  
We livin' our dreams

We livin' our dreams  
We livin' our dreams  
Whoa, oh yea yea!N we gotta stay tuned, cuz there's more to see  
Unbreakable!  
Through the technical difficulties, uh  
Unbreakable!  
We might have to take a break  
But ya'll know we'll be back next weekI'm singin', this love is unbreakable  
Sing it one more time now  
Ya'll know we'll be breakin' up  
But we just might be back next week, ha ha haThis love is unbreakable  
(Yea yea oh)  
Break it down, break it down like this, yeaNo thing, no money, no sin, no temptation  
I'm talkin' bout loving  
No thing, no money, no sin, no temptation  
I'm talkin' bout nothingNo thing, no money, no sin, no temptation  
I'm talkin' bout nothing  
No thing, no money, no sin, no temptation  
I'm talkin' bout nothingYea!  
Unbreakable!  
Yea yea yea  
Yea yea yea  
Yea yea yea  
Unbreakable!We just might be breakin' up  
But ya'll know we'll be back next week  
I'm singin', this love is unbreakable
