

All I Can Do

Savoy Brown

You've gone away
I'll get by somehow
Just right now
All I can do is cry
All I can do is cry I tried to find
Why you said go
Now I know
All I can do is cry
All I can do is cry Tell me why
You walked out that way
What could I say
All I can do is cry, yeah
All I can do is cry I keep searching for an answer
As I sit here in my lonely room
Till I find a reason to keep living
All I can do is cry
All I can do is cry
All I can do is cry, yeah I keep searching for an answer
As I sit here in my lonely room
Till I find a reason to keep living
All I can do is cry
All I can do is cry
All I can do is cry You've gone away
I'll get by somehow
Just right now
All I can do is cry
All I can do is cry I tried to find
Why you said go
Now I know
All I can do is cry
All I can do is cry
All I can do is cry
