

Won't Go Home Without You (Live from Le Cabaret)

Maroon 5

I asked her to stay
But she wouldn't listen
She left before I had the chance to say, oh
The words that will mend
the things that were broken
And now it's far too late, she's gone away
Every night you cry yourself to sleep
thinking "why does this happen to me?"
"Why does every moment have to be so hard?"
Hard to believe it
It's not over, tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you
The taste of her breath, I'll never get over
The noises that she made kept me awake, ohh
The weight of the things that remain unspoken
Built up so much, it crushed us every day
Every night you cry yourself to sleep
thinking "why does this happen to me?"
"Why does every moment have to be so hard?"
Hard to believe it
It's not over, tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you
ooohh...
It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you
ooohh...
Of all the things I've felt I've never really showed
Perhaps the worst is that I never let you go
I should not ever let you go
It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you
ooohh...
It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you
And I won't go home without you

And I won't go home without you
And I won't go home without you
