Yes

I sound
(anderson / howe / wakeman / bruford)
InstrumentalIi second attention
(anderson / howe / wakeman / bruford)
Be gone you ever piercing
Power play machine
Cutting our musical solidarity
For those who would break the windows
Of our true reflections
And perceptions of the world
'for I am out of thee with a vengeance'Do not play me
You will never hear this
You will never hear this
Only feel itFor too long I have danced
To your destiny
No longer fill my head
With empty dreamsOf reality and gold
Your reality
For I am away this side away to the second attentionI can never ever play it or sing it
For it can never be shouted down
Or played every stronger
As I feel this never ending
Pattern of natureI don't believe in devils
I don't believe in demons
I only believe in youIii soul warrior
(anderson / howe / wakeman / bruford)
