Fire In Your Eyes

Chase & Status

Fire in your eyes someday
I see fire in your eyes someday
I see fire in your eyes someday
Fire in your eyes someday
I see fire in your eyes someday
I see fire in your eyes somedayAlways been a warrior
From back when I remember
Now we stand together
Always been a warrior
Baby, here or never
Wanting this for everAlways been a warrior
From back when I remember
Now we stand together
Always been a warrior
Baby, here or never
Wanting this for ever
Wanting this foreverAlways been a warrior
Baby, here or never
Wanting this for everAlways been a warrior
From back when I remember
Now we stand together
Always been a warrior
Baby, here or never
Wanting this for ever
Always been a warrior
From back when I remember
Now we stand together
Always been a warrior
Baby, here or never
Wanting this for everFire in your eyes someday
