

Wino Junko

[Paul McCartney](#)

Doctor tom is getting on, All he does is sign his name. I get things my brainbox sings, But I'll go down again. Play with fire, getting higher, Higher than a nine foot flame. My soul is spent and so's the rent, But I'll go down again. Wino junko can't say no, Wino junko, eyes aglow. Pill freak, spring a leak, you can't say no Till you go down again. This and treat you crazy cat, Flying sideways once again. I'm in a spin it makes me grin, But I'll go down again. Wino junko can't say no, Wino junko, eyes aglow. Pill freak, spring a leak, you can't say no Till you go down again. Till you go down again. Till you go down again. Till you go down. Take what I need until I bleed, People will say I've gone insane. Ain't scared to die, it's such a high, Till I go down again. Wino junko can't say no, Wino junko, eyes aglow. Pill freak, spring a leak, you can't say no, Till you go down again. Wino junko can't say no, Wino junko, eyes aglow. Pill freak, spring a leak, you can't say no, Till you go down again. Wino junko...
