

# Tell Him

## Sonny & Cher

I know something about love  
You've gotta want it bad  
If that guy's got into your blood  
Go out and get him  
If you want him to be  
The very heart of you  
Make you want to breathe  
Here's the thing to do

[Chorus]

Tell him  
That you're never gonna leave him  
Tell him  
That you're always gonna love him  
Tell him, tell him,  
Tell him, tell him right now

I know something about love  
You gotta show him  
And make him feel the moon up above  
Go out and get him  
If you want him  
To make your heart sing out  
If you want him  
To always think of you

[Chorus]

Ever since the world began  
It's been that way for man  
And women were created  
To make love their destiny  
Then why should true love  
Be so complicated, oh yeah?  
I know something about love  
You gotta take his hand  
Show him what the world is made of  
One kiss will prove it  
If you want him  
To be always by your side

Take his hand tonight,  
Swallow your foolish pride

[Chorus: x2]
