

Brazil

Frank Sinatra

Brazil, where hearts were entertaining June
We stood beneath an amber moon and softly murmured
"Someday soon, we'll kissed and clung together" Then, tomorrow was another day
The mornin' found me miles away with still a million things to say
Now, when twilight dims the sky above, recallin' thrills of our love
There's one thing, I'm certain of, return, I will to ol' Brazil Then, tomorrow was another day
The mornin' found me miles away with still a million things to say
Now, when twilight dims the sky above, recallin' thrills of our love
There's one thing that I'm certain of, return, I will to ol' Brazil That ol' Brazil, man, it's ol' in Brazil, Brazil,
Brazil
