When You're Lonely

[Jordan Knight](#)

I know he hurt you
I see you cryin
Girl I can stop the rain from falling
Just let me hold you
I wanna tell you
All the things you need to hearLet me be the one you need
Everything you want I'll beBaby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right hereHe always told you
He never showed you
Love is more than saying the words
Someone to talk to
Someone to listen
Something that I know you've been missingLet me be the one you need
Everything you want I'll beBaby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right hereTo take away the pain you feel
You never had a love that's real
I will always be holding you close to my heart
Girl we'll never be apartBaby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here
