## Only You Can Love Me This Way

## **Keith Urban**

Well, I know there's a reason And I know there's a rhyme We were meant to be together And that's whyWe can roll with the punches We can stroll hand in hand And when I say it's forever You understandThat you're always in my heart You're always on my mind But when it all becomes too much You're never far behindAnd there's no one That comes close to you Could ever take your place 'Cause only you can love me this wayI could have turned a different corner I could have gone another place Then I'd of never had this feeling That I feel today, yeahAnd you're always in my heart Always on my mind When it all becomes too much You're never far behindAnd there's no one That comes close to you Could ever take your place 'Cause only you can love me this way OohAnd you're always in my heart You're always on my mind And when it all becomes too much You're never far behindAnd there's no one That comes close to you Could ever take your place 'Cause only you can love me this way
