Letter to Her

KDtheSINGER

[Hook 1: Kdthesinger]
You my baby , my shawty
My everything , my boo-oo
Baby I want you
So what we gonna do
Know I'm always down to ride
I just need you by my side
So What it's going to be
Is it gonna be you and me
Cause you my baby , my shawty
My everything, my boo-oo
Baby I want you
So What we gonna do
I can't stand to see you cry
Wipe them tears from your eyes
Let me lick between them thighs
And sing you a lullaby

[Verse 1: Kdthesinger]
