

I'm the Man, That Will Find You

Connan Mockasin

Hey, I never get it all right, get it all right on
Be my medal and I will wear you all night
Wear you all night long
Be a minute, I've been waiting long time for you
You know
You'll be my baby, cause I can wait a long time[Hook]
I, I'm the man that will find you
(Hold me back, till the end of day)
I, I'm the man that will find you
(Hold me back until another day)
I, I'm the man that will find you
Hey, I never get it all right on
You'll be my baby cause I've been waiting long time for you,
You know
Gee, I never, you're never gonna hide those legs, or hair
Be my baby cause I can wait a long time[Hook]
I, I'm the man that will find you
(Hold me back until another day)
I, I'm the man that will find you
(Hold me back until another day)
I, I'm the man that will find you
(Hold me back until another day)
I, I'm the man that will find you
Listen to your heart
When it feels right from the start
You're acting kind of strange
Yours is for the past
Listen to your head
When you're drowning every day I, I'm the man that will find you
I, I'm the man that will find you
I, I'm the man that will find you
I, I'm the man that will find you
I will love you
I, I'm the man that will find you
I will love you, baby
I will love you baby
I, I'm the man that will find you
Oh, I'm the man that will find you
I'm the man that will find you

I'll never spend a moment with you single
